All 40 Beads of Courage kits sponsored by DAW in 2019 have been adopted; and 22 kits have already been completed. The Board has approved a second group of kits to be available to DAW members. There is a sign-up sheet on the Empty Bowls/Beads of Courage table for anyone interested in obtaining a free kit. The only provision is the kit must be completed and returned by the November meeting so the boxes can be given to seriously ill children before Christmas.

At the present time, we cannot order Beads of Courage logo disks. They are on back order from the manufacturer, but there is no promised delivery date. Anyone who has a logo bead(s) they are not going to use in the near future please return them to Lou Boudreaux at the May meeting so they can be used by other members. You can request replacement disks when they become available.

Pen Turning Class Taught by Larry Maughan

Larry's pen turning class was a great success, with help from his able assistant, Jimmy Cusic. Hopefully we will see some awesome pens during the May club meeting Show N Tell.

Anchorseal

We have a supply of Anchorseal and have been able to mark down the price to \$15/gal. You can only buy it at the club meeting. Do not expect WoodWorld to sell any Anchorseal.

Club Supporters

These businesses shown below are regular supporters by providing meeting space, donations, selling raffle prizes to the club at cost. Please show your appreciation by frequenting them.
