July 2019

**Next DAW Meeting at 7:00 pm at WoodWorld on Thursday, July 19**

## Thoughts from the President

The July demonstration will be a rotation with Kevin Basset teaching Chainsaw Safety and Techniques, John Holderman – Using resins in turning and Larry Maughn – Hollowing with carbide. Each demo will be 20 minutes in duration and then it will repeat three times in the hour. This way everyone can cycle through all three mini demos in an hour.

I want to encourage everyone to turn a bowl for donation to the Empty Bowls program benefitting the North Texas Food Bank. Our numbers are down, and we need your participation.

SWAT registration has begun and hotel and attendee information at the following website.

<http://www.swaturners.org/SWAT-2019-registration.html> The club would like to have some volunteers to work the Ranger room and other opportunities at SWAT. Please contact Ken Rodgers if you can assist. For more details, see page 4 of this newsletter.

The Trinity River Woodturners Council will be hosting a series of hands on classes October 18 and 19, 2019. This event is a joint effort of 5 woodturning clubs in the North Texas Area. The clubs are seeking volunteers for this event and need your assistance. You can find more information at <http://www.trinityriverwoodturners.net> or by contacting Tod Raines.

A reminder to renew your DAW membership this month by either paying online or at the club meeting on the third Thursday of each month. (<https://squareup.com/store/DallasAreaWoodturners/>)

Open shop will be Saturday July 20<sup>th</sup> from 9:am to approximately 2:00pm. If you wish to learn some aspect of turning with the assistance of club mentors, please feel free to attend open shop. There is no cost to attend open shop. Thank you, Jeff Edwards

## July Demos – Round Robin

Our July demo will be a round robin (No camera or video monitors, limited seating but we will have plenty for those that cannot stand for lengthy periods). There will be three rotations with three demos that last about 20 minutes each, we'll give everyone few minutes to rotate and then start over.

Our Demonstrators will be:

## S.W.A.T. News by Ken Rodgers

S.W.A.T. will be at the Waco Convention Center August 23, 24, 25. As usual, DAW will be responsible for all 9 Ranger room demonstrations. We need one volunteer room assistant for each of these 1.5-hour demos. I will have the camera and audio tasks covered, thanks to a few remote controls. Your help is needed to assist the demonstrator and sweep up after each session. Each assistant will be rewarded by having a close-up view of the demo and will be receiving at least two dozen raffle tickets. Below is a copy of the sign-up sheet. You can view the S.W.A.T. rotation schedule by going to the Website (<http://www.swaturners.org/>). Then click on Rotation Schedule for 2019 (<http://www.swaturners.org/2019-rotation-schedule.html>). Then to get a readable version select "2019 SWAT Rotation Schedule" for the .PDF view > <http://www.swaturners.org/support-files/2019-rotation-schedule-v2-converted.pdf>.
