Next DAW Meeting at 7:00 pm at WoodWorld on Thursday Aug 15

Thoughts from the President

The August demonstration will be an interactive demonstration with John Tisdale as he demos large hollowing and talks about his Planet Mesquite project.

I want to encourage everyone to turn a bowl for donation to the Empty Bowls program benefitting the North Texas Food Bank. Our numbers are down and we need your participation.

SWAT registration has closed. You can still get tickets at the door and more information is available at the following website. <http://www.swaturners.org/> The club would like to have some volunteers to work the Ranger room and other opportunities at SWAT. Please contact Ken Rodgers if you can assist and see the sign up sheet available at the August Meeting.

The Trinity River Woodturners Council will be hosting a series of hands on classes October 18 and 19, 2019. This event is a joint effort of 5 woodturning clubs in the North Texas Area. The clubs are seeking volunteers for this event and need your assistance. You can find more information at <http://www.trinityriverwoodturners.net> or by contacting Tod Raines.

A reminder to renew your DAW membership this month by either paying online or at the club meeting on the third Thursday of each month. [CLICK FOR LINK TO MEMBERSHIP RENEWAL](#)

Texas Flag Pen Blanks with the Pen Kit are available for purchase for \$17.50. There are only a few of these kits left and you need to grab them before they are all gone. Order at the meeting or online at the DAW Store <https://squareup.com/store/DallasAreaWoodturners/>

Open shop will be Saturday August 17th from 9:am to approximately 2:00pm. If you wish to learn some aspect of turning with the assistance of club mentors, please feel free to attend open shop. There is no cost to attend open shop.

Thank you, Jeff Edwards

Keep Cool-Think Winter-Think DAW Holiday/Christmas Party!!

The DAW Holiday/Christmas Party is coming and **we need your donations of a wood turned object – a bowl, vase, ornament, anything that has the ability to be auctioned off and raise funds for your club.** This is the primary fund raiser for the year that allows the club to put on demos and classes, keep seven full size lathes working, provide the club library and video services and all the other operating cost of a club this size.

The party will be on the evening of Saturday December 7th, 2019. We are having the holiday party at the same place again, the Holiday Inn Richardson. The cost of the tickets will be \$30.00 per person. We hope that 100+ members will have a great, fun filled and delicious evening.

Empty Bowls and Beads of Courage-Lou Boudreaux

Seven members submitted 27 Empty Bowls at our July meeting; Bill Wilkinson was able to wrest his annual 12 bowls from his wife. Only seven members have contributed the 72 bowls we have collected this year. More members need to get involved if we are to meet our goal of 300. Five Beads of Courage boxes were contributed by four members, bringing the 2019 total to 46 from 18 members. Empty Bowls and Beads of Courage results and contributors for are shown below.

Forty Beads of Courage boxes were distributed to patients in the Oncology, Cardiology, and Trauma departments at Children's Hospital in July. Y'all made a lot of kids happy!

All 58 DAW sponsored kits for 2019 have been adopted and 35 have already been completed. Response has been so good this year that additional kits will be made if there is sufficient interest, there will be a BoC Kit sign-up sheet at the EB/BoC table. Members with 2018 kits should return their complete or incomplete kits at the August meeting. See Lou Boudreaux at the meeting if you need Beads of Courage Logo disks.
