November 2019

Next DAW Meeting at 7:00 pm at WoodWorld on Thursday November 21

Thoughts from the President

The November 2019 demonstration will be presented by YouTube woodturner Carl Jacobson. Youtube Carl will be demonstrating his Fake Natural Void turning and he will be here Friday, Saturday and Sunday offering classes. You can register for classes at the DAW web store. Grab a spot before they are gone!

I want to encourage everyone to turn a bowl for donation to the Empty Bowls program benefitting the North Texas Food Bank. North Texas Food Bank has moved the schedule for Empty Bowls from March back to February in 2020. That means we have to have all of our bowls for the event completed by the January meeting. Please take time to turn some donation bowl bowls for this program.

November is our officer election meeting. The incumbent board officers are fulfilling their second year of service for the 2020 year. Volunteer Chairperson positions are being sought and we still have needs for Education, Publicity and AV Assistant. If you wish to help out with the club, please see any of our club officers.

Texas Flag Pen Blanks with the Pen Kit are available for purchase for \$17.50. There are only a few of these kits left and you need to grab them before they are all gone. Order at the meeting or online at the DAW Store <https://squareup.com/store/DallasAreaWoodturners/>

The DAW holiday party will be Saturday, **12/7** this year and tickets are on sale. If you can donate a turned item for auction, please see Tod Raines. Grab your tickets early as the party is just a few short weeks away and we hope the new Saturday night schedule will make it easier for everyone to attend.

I would like to offer a huge thank you to Lou Boudreaux who is stepping away from his 12 years of service as Community Chairman for DAW and the great Beads of Courage and Empty Bowls programs he has helped lead. We appreciate the efforts and contributions he has made to this position and are grateful Bob Flaming is stepping in to continue these great programs. Thank you, Lou!

Thank you, Jeff Edwards

November Demo

Special Guest: Carl Jacobson will be our demonstrator this month. Carl will demonstrate his fake natural void method.

Calendar of Upcoming Classes (All classes \$100 per student per class)

Carl Jacobson (<http://thewoodshop.tv>)

Friday **November 22**: Pepper mills

Saturday **November 23**: Fake Natural Void (Hollowing that looks like is from nature or natural)

Write your name on the back of the ticket, bring it with you and drop it into the bucket and will draw the winner at some point in the evening.

We are still in **need of your donations of a wood turned object – a bowl, vase, ornament, anything suitable for being auctioned off to raise funds for your club.** This is the primary fund raiser for the year that allows the club to put on demos and classes, keep seven full size lathes working, provide the club library and video services and all the other operating cost of a club this size.

The party will be on the evening of **Saturday December 7th**, 2019. We are having the holiday party at the same place again, the Holiday Inn Richardson. The cost of the tickets is \$30.00 per person. We hope that a 100+ members will have a great, fun filled and delicious evening.

Open Shop: No November Open Shop due to Carl's class on that Saturday.

Empty Bowls and Beads of Courage-Lou Boudreaux

Five members contributed 23 Beads of Courage boxes at our October meeting, a total of 88 boxes for 2019. Only 17 of the 65 2019 DAW sponsored BoC kits remain, with most due in November. We will donate a large number of boxes to the Beads of Courage program at Children's Hospital to help make the holiday season happier for some seriously ill kids.

Twenty-one Empty Bowls were submitted by five members at our October meeting. This brings the total for 2019 to 119 bowls from only 17 members. While the number of members supporting this worthwhile cause, this year is unusually low, the number of Empty Bowls donated is far below the DAW goal of 300. **The North Texas Food Bank has scheduled the Empty Bowls event for February 27, 2020. We have to significantly increase the number of bowls we make by January 23 so DAW can support our commitment to helping the hungry of North Texas.**

The DAW Board has established 2020 EB/BoC goals. Empty Bowls goal remains at 300 based on the demonstrated performance of DAW members for 11 of the past 12 years. BoC goal is 100 boxes. The DAW Board has also approved 65 BoC Kits for 2020.
